Commissioner for Patents

Applicant's submission of an Information Disclosure Statement on October 21, 2010 is acknowledged.

The information disclosure statement filed on October 21, 2010 fails to comply with 37 CFR 1.97(d) because it lacks a statement as specified in 37 CFR 1.97(e). It has been placed in the application file, but the information referred to therein has not been considered.

Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a).

In this case, the references listed on the IDS filed on October 21, 2010 were first cited in an IDS filed on October 8, 2009. Thus, Applicant cannot provide a certification statement under 1.97(e) for references first cited on an IDS on October 8, 2009.
